

ELECTRONICS TECHNICIAN FOR DEVICES AND SYSTEMS (M/F/D)

As an apprentice at LANG AG, you will be involved in our company and in every department where you are employed from day one. Our customers can always rely on perfectly functioning and well-maintained technology. And you are behind it too! You work in our service department and manufacture components and devices for information and communication technology, as well as measuring and testing technology. Your eyes light up with enthusiasm when you hear the word "technology". You are also characterised by analytical thinking and a careful way of working. If you are also at least 18 years old and have a class B driving licence, then you simply have to apply!

YOU CAN EXPECT

Flexible working hours
that fit in with your life

A employee café as well
as a cafeteria for refreshment
and exchange of ideas

Training and development
opportunities through our
experts in the LANG ACADEMY

Charging stations
for your e-mobility

A day care centre for
your children

Sports facilities
such as a gym
and company bicycles
