

EVENT TECHNOLOGY SPECIALIST (M/F/D)

As an event technology specialist trainee, you will gain insight into the development of technical concepts in the field of visual presentation. You will also be involved in the planning of technical assignments for events and assist in the field service. There you will set up and dismantle our technology, taking safety standards into account. Your trainer will be there to advise you and deal with you individually. When you hear the word "technology" your eyes light up with enthusiasm and you have the necessary sense of responsibility, physical strength and stamina. You like to be on the road and look forward to gaining many insights into a wide variety of events. If you are now at least 18 years old and have a class B driving licence, then you simply have to apply to us!
