

# ELECTRICIAN (M/F/D)

If you're wondering how the images get onto the ice or the tartan track at a major sporting event, or how the tartan track or how the background of the daily news is technically constructed, then we are looking for you! The service of the hardware used there, including LCD and DLP high-performance projectors, comes from our company. As an electronics technician, you will work in one of our technical departments.

## YOUR TASKS

- Maintenance and repair of equipment and systems-Soldering professional LED technology

## YOUR PROFILE

- Completed training as an electronics technician
- Interest in expanding your technical knowledge
- Reliable and careful way of working

## YOU CAN EXPECT

Flexible working hours that fit in with your life

A employee café as well as a cafeteria for refreshment and exchange of ideas

Training and development opportunities through our experts in the LANG ACADEMY

Charging stations for your e-mobility

A day care centre for your children

Sports facilities such as a gym and company bicycles
